DIAGNOSIS AND MEDICAL INFORMATION

1. What are the beneficiary's relevant diagnoses and ICD-10 codes?

   Diagnoses: _____

   ICD-10 codes: _____

2. Has the beneficiary tried any other medications for this condition? ☐ Yes ☐ No
   a. If **Yes**, what was the medication therapy (specify drug name and dosage)?

      _____

   b. What was the duration of therapy? Specify dates: _____ to _____
   c. What was the response, reason for failure, or allergy?

      _____

   d. Does the prescriber attest that the beneficiary adhered to previous therapies and the trial period was sufficient to allow for a positive treatment outcome or that the drug was discontinued due to an adverse event? ☐ Yes ☐ No
   e. Does the prescriber attest that the trial/failure(s) of the preferred medications are documented in the beneficiary's medical record (evidence of such is subject to audit)? ☐ Yes ☐ No

What additional clinical information do you have that is relevant to this request for prior authorization? Please provide symptoms, lab results with dates, and/or justification for initial or ongoing therapy or increased dose, as well as whether the beneficiary has any contraindications to the Arkansas Medicaid preferred drug. Lab results with dates must be provided if needed to establish diagnosis or evaluate response. Please provide any additional clinical information or comments pertinent to this request for coverage, including information that is related to exigent circumstances or required under state and federal laws.

ATTESTATION

Attestation: I attest the information provided is true and accurate to the best of my knowledge. I understand that Arkansas Medicaid or its designees may perform a routine audit and request the medical information necessary to verify the accuracy of the information reported on this form.

Performing Provider Signature and Credentials: _____ **Date:** _____
(By signature, the physician confirms the above information is accurate and verifiable by patient records.)

Retain this documentation in the patient's medical records. Falsification of medical records is liable to the U.S. government for a civil penalty of not less than $5,000 and not more the $10,000, plus 3 times the amount of damages that the government sustains because of the act of that person. [42 U.S.C.A. § 3729(a)].

Confidentiality Notice: The documents accompanying this transmission contain confidential health information that is legally privileged. If you are not the intended recipient, you are hereby notified that any disclosure, copying, distribution, or action taken in reliance on the contents of these documents is strictly prohibited. If you received this information in error, please notify the sender (via return fax) immediately and arrange for the return or destruction of these documents.
